Passionate about tech and ready to launch a new career?
Apply to Tech Jobs Academy.

Tech Jobs Academy

A full-time, 16-week training program providing skills in cloud and server administration for a life-long career in technology.

Participants will receive:

- Certified training in cloud and server administration, including Azure infrastructure, Windows Server, and private cloud.
- Professional development workshops including resume reviews, mock interviews, and interpersonal skills training.

Applicants must be:

- Able to commit to a minimum of 40 hours/week in class and about 15-20 hours/week outside of class.
- Available for employment immediately upon graduation
- Passionate about launching a career in tech.
